Nebraska Medical Association  
Metropolitan Omaha Medical Society

**Current Active Involvement in COVID-19 Containment:**

Diagnosed Nebraska's first COVID-19 Case (03/2020)  
Nebraska Methodist Hospital's COVID Containment Team  
Numerous lectures & videos for Methodist and community  
Weekly attend IDSA and SHEA national online Covid meetings

**Current Community Service Activities**

Tuberculosis Control Program -- Nebraska Dept HHS  
Medical Consultant, Reg & Licensure (2002- present)  
Methodist Hospital's Heidi Wilke SANE (Sexual Assault Nurse  
Examiner)/SART (Sexual Assault Response Team) Survivor  
Program  
ID Specialist Member (2002 – present)  
Assist in reporting on ID topics for Omaha World Herald and  
local Omaha TV stations  
Numerous interviews (1982 – present)

## Formal Education

### Fellowship: Infectious Disease and Hospital Epidemiology

Department of Infectious Diseases (1979-1981)  
Creighton University, College of Medicine, Omaha, NE

### With Additional Specialized Training:

Department of Hospital Epidemiology (10/1980)  
University of Iowa, Iowa City, IA

Department of Pediatric Infectious Diseases (6/1981)  
Baylor University College of Medicine, Houston, TX

### Medical Residency (1975-1978):

Department of Internal Medicine  
University of Nebraska Medical Center, Omaha, NE

### M.D. with Distinction (1975)

University of Nebraska College of Medicine (1972 – 1975)  
Alpha Omega Alpha Medical Honor Society

### B.S. with Distinction (1972)

University of Nebraska at Lincoln (1968 – 1972)  
Phi Beta Kappa Honor Society

## Functional Medicine Coursework Completed

### The Institute of Functional Medicine

-- accredited by the Accreditation Council for Continuing Medical Education (ACCME) for physicians

- Applying Functional Medicine in Clinical Practice, 35.5 hours completed 3/29/2022
- Introduction to Functional Medicine: Clinical Solutions for Addressing the Underlying Causes of Disease, 12/24/2021
- Introduction to Functional Medicine, 2/14/2021

### Functional Nutritional Alliance

- Functional Nutrition Lab: Digestive Intensive, 7/14/2019
- Functional Nutrition Lab: Digestive Intensive, 10/7/2018

### Replenish PDX's Holistic Nutrition Lab

- Holistic Nutrition Lab: Digestive Intensive, coursework completion 8/18/2017

## Previous Positions, Appointments, Activities

### Previous Professional Positions

Healthcare Epidemiology Consultant  
Children's Hospital (1981 – 1993)

Healthcare Epidemiology Consultant  
Richard Young Hospital, Omaha, NE (1988 - 2003)

Internal Medicine Specialist  
Physicians' Clinic, Omaha, NE (1978 – 1979)

### Previous Faculty Appointments

Clinical Instructor, Department of Pediatrics (1984 - 1985)  
Assistant Clinical Professor, Volunteer Faculty (1985-2020)  
Department of Pediatrics

HIV Lecture for *Course MT412 of the Joint Medical Technology Program of UNMC & Methodist Hospital: Clinical Laboratory Diagnosis & Mgmt.* Review and discussion of virology and epidemiology of HIV, standard laboratory tests for diagnosing and monitoring HIV infection, and the clinical presentation and management of HIV disease. Presented at Michael F. Sorrell Center for Health Science Education, University of Nebraska Medical Center, Omaha, NE, 2/19/2013, and then presented as an archived video on Blackboard, Omaha, NE. 2/2014.
103. "Infection Prevention and Control In-Service." Prepared for Aesthetic Surgical Images staff meeting, Omaha, NE. 12/2/2013.
104. "Women and Their Newborn Child-Infectious Disease Issues." *Issues in Women's Health across the Decades, Nebraska OB/GYN Society Meeting 2013.* Las Vegas, Nevada. 10/25/2013.
105. "C Postoperative Infections in the Female Patient." *Issues in Women's Health across the Decades, Nebraska OB/GYN Society Meeting 2013.* Las Vegas, Nevada. 10/25/2013.
106. "Case Presentations: a 24-year-old male with *iridocyclitis*; a 50-year-old male with a maculopapular rash, and a 42-year-old male with a genital ulcer—Overview and Discussion of the Recognition, Diagnosis, and Management of Syphilis." *City Wide ID Conference hosted by Methodist Hospital*, Omaha, NE. 10/3/2013.
107. "Proposal for Implementation of T-SPOT®.TB Test for NMHS Employee Health." Presented with Sue Davis, RN, at *Infection Prevention and Control Committee, Methodist Hospital*, Omaha, NE. 9/25/2013.
108. "nPEP (Nonoccupational HIV Postexposure Prophylaxis) Update." Presented at the *SANE (Sexual Assault Nurse Examiner) Staff Meeting, Methodist Hospital*, Omaha, NE. 9/12/2013.
109. "The Impact and Mitigation of Influenza." *American Red Cross, Midwest Region Blood Services, Fifth Annual Fall Seminar*, Omaha, NE. 9/5/2013.
110. "Review: Pseudo-Outbreak of *Mycobacterium Chelonae*." Presented with Terry Micheels, MSN, RN, CIC, at *Infection Prevention and Control Committee, Methodist Hospital*, Omaha, NE. 8/23/2013.
111. "Proposal for Implementation of T-SPOT®.TB Test at NMHS." Presented with Sue Davis, RN, at *Healthcare Epidemiology and Infection Prevention Department Meeting*, Omaha, NE. 7/17/2013.
112. "The Impact and Mitigation of Influenza." *American Red Cross, Midwest Region Blood Services, Medical Advisory Committee*, Omaha, NE. 6/24/2013.
113. "Case Presentation: Patient with Horrible Headache and Mental Status Changes-Bacterial Meningitis and Cerebrospinal Fluid Rhinorrhea ("Leak")." *City Wide Infectious Diseases Conference hosted by Methodist Hospital*, Omaha, NE. 6/6/2013.

114. "Pulmonary Infection in the Immunocompromised Host." Review the risk factors & pathogenesis for pneumonia in the immunocompromised (IC) host; identify the spectrum of potential pathogens known to cause pulmonary infections in IC hosts; and discuss aspects of diagnosis, treatment, and prevention of pulmonary infections in IC hosts. *Pulmonary Medicine Update 2013, Nebraska Methodist College, The Josie Harper Campus, Omaha, NE, 3/15/2013.*
115. "Case Presentation: Patient with Weakness, Mental Status Changes, and Shakiness" -- Case presentation of a 49-year-old female with acute West Nile Virus meningoencephalitis and an associated movement disorder. Presented with Jose Poblador, D.O., and discussion of the organism, history, epidemiology, transmission, disease in humans, and prevention and control. *Critical Care Conference, Methodist Hospital, Omaha, NE, 3/12/2013.*
116. "HIV Infection." HIV Lecture for *Course MT412 of the Joint Medical Technology Program of UNMC & Methodist Hospital: Clinical Laboratory Diagnosis & Mgmt.* Review and discussion of virology and epidemiology of HIV, standard laboratory tests for diagnosing and monitoring HIV infection, and the clinical presentation and management of HIV disease. Michael F. Sorrell Center for Health Science Education, University of Nebraska Medical Center, Omaha, NE, 2/19/2013.
117. "Case Presentation: Patient with Weakness, Mental Status Changes, and Shakiness"—Case presentation of a 49-year-old female with acute West Nile Virus meningoencephalitis and an associated movement disorder with Jose Poblador, D.O., including discussion of the organism, its history, epidemiology, transmission, disease in humans, and prevention and control. *City Wide Infectious Diseases Conference hosted by Methodist Hospital, Omaha, NE, 2/7/2013.*
118. "Surgical Site Infection Surveillance for 2013." *Surgical Quality Committee, Methodist Hospital, Omaha, NE, 1/22/2013.*
119. "West Nile Virus Update —Case presentation and overview of the organism, its history, epidemiology, transmission, disease in humans, and prevention and control." *Medical Advisory Committee Meeting, American Red Cross Midwest Region Blood Services, Omaha, NE, 12/3/2012.*
120. "Infection Prevention in the HSCT Patient —Review of infections following autologous hematopoietic cell transplantation and strategies for prevention of infection in the HSCT patient, including infection control measures and selective use of antimicrobial therapy." *Care of the Stem Cell Patient, Methodist Hospital Symposium, Omaha, NE, 11/13/2012.*
121. "ID Hospital Rounds —Review and discussion of emerging infectious diseases encountered in the hospital setting, the clinical evaluation and management of ID patients with Legionnaire's Disease and West Nile virus infection, and the hazards of the work environment." *Issues in Women's Health Across the Decades, Nebraska Obstetrics and Gynecology Society Meeting 2012, Las Vegas, NV, 11/1/2012.*
122. "Pregnancy and Vaccination"—Review and discussion of vaccine preventable diseases in pregnant women and the importance, challenges, and potential benefits of routine vaccination in pregnant women." *Issues In Women's Health Across the Decades, Nebraska Obstetrics and Gynecology Society Meeting 2012, Las Vegas, NV, 11/1/2012.*
123. "Infectious Diseases Presentation —Review and discussion of basic principles of infectious diseases and epidemiology, with updates on vaccination." Nebraska Myeloma Support Group, Omaha, NE, 10/17/2012.
124. "Case Presentation: Bilateral Pulmonary Infiltrates—Review and discussion of a 50-year-old immunocompromised female with *Legionella pneumophila* pneumonia and *Pneumocystis (carinii) jiroveci* pneumonia." *City Wide Infectious Diseases Conference hosted by Methodist Hospital, Omaha, NE, 10/4/2012.*
125. "Case Presentation: 41-year-old Female with a Severe Headache—Review and discussion of acute Parvovirus B19 infection in an adult." *City Wide Infectious Diseases Conference hosted by Methodist Hospital, Omaha, NE, 6/7/2012.*
126. "Case Presentation: Right Supraclavicular Neck Mass -- Review and Discussion of Tuberculous Lymphadenitis." *City Wide Infectious Diseases Conference hosted by Methodist Hospital, Omaha, NE, 4/5/2012.*
127. "Perils of the Deep -- Hazards of Raw Seafood." Presented with Teresa Karre, MD. *Multidisciplinary Conference, Methodist Hospital, Omaha, NE 3/2/2012.*
128. "HIV Infection." HIV Lecture for *Course MT412 of the Joint Medical Technology Program of UNMC & Methodist Hospital: Clinical Laboratory Diagnosis & Mgmt.* Michael F. Sorrell Center for Health Science Education, University of Nebraska Medical Center, Omaha, NE, 2/14/2012.
129. "Infectious Disease Complications in the HSCT Patient." *Stem Cell Education Program, Methodist Hospital, Omaha 1/17/2012.*
130. "2011-2012 Influenza Update." *Medical Advisory Committee Meeting, American Red Cross, Midwest Region Blood Services, Omaha, NE 12/5/2011.*
131. "Case Presentation: Patient with a Persistent Cough." *City Wide Infectious Diseases Conference hosted by Methodist Hospital, Omaha 12/1/2011.*
132. "Human Papillomavirus – Recent Developments." *Nebraska Obstetric and Gynecologic Society Meeting 2011: Issues in Women's Health across the Decades, Las Vegas, NV, 11/10/2011.*
133. "Travel Medicine." *Nebraska Obstetric and Gynecologic Society Meeting 2011: Issues in Women's Health across the Decades, Las Vegas, NV, 11/10/2011.*
134. "Influenza Update 2011-2012." *Critical Care Conference, Methodist Hospital, Omaha 11/8/2011.*

135. "Food-borne Illness in Pregnancy." *Obstetric/Pediatric Case Conference, Methodist Women's Hospital, Omaha 10/7/2011.*
136. "Case Presentation: Acute Abdominal Pain – Perils of the Deep: Anisakidosis." *City Wide Infectious Diseases Conference hosted by Methodist Hospital, Omaha 10/6/2011.*
137. "Zoonotic Infections in the Bedroom." *Critical Care Conference, Methodist Hospital, Omaha 9/13/2011.*
138. "Chronic Ear Infection and Severe Headache – Zoonoses in the Bedroom: Cat Associated Pasteurella multocida Brain Abscess." ). *City Wide Infectious Diseases Conference hosted by Methodist Hospital, Omaha 8/4/2011.*
139. "Multidrug Resistant Organisms (a/k/a Bad Bugs) – Current Concepts in Treatment." *16th Annual Pharmacological Conference for Advanced Practice Nurses, Nebraska Medical Center, Omaha 7/22/2011.*
140. "Multidrug Resistant Organisms (a/k/a Bad Bugs) – Current Concepts in Treatment." *NICU Workshop, Methodist Women's Hospital, Omaha 6/30/2011.*
141. "Recurrent Illness and Abdominal Wall Erythema in a Neonate -- Necrotizing Enterocolitis: Recognition and Current Management." *NICU Workshop, Methodist Women's Hospital, Omaha 6/30/2011.*
142. "XMRV (Xenotropic Murine Leukemia-Related Virus) and Chronic Fatigue Syndrome." *Meeting of Medical Advisory Committee, American Red Cross, Midwest Region Blood Services, Omaha 6/22/2011.*
143. "Management of Neutropenia Fever in Stem Cell Transplant Patient." *Stem Cell Transplant Conference, Methodist Hospital 6/14/2011.*
144. "MDROs (a.k.a Bad Bugs) – Current Concepts in Treatment." *MDRO Conference of Methodist Hospital, Methodist Hospital 5/25/2011.*
145. "Food-borne Illness in Pregnancy." *The Pathology Center Spring Workshop of Methodist Hospital, Methodist Hospital, 5/21/2011.*
146. "Saving the Diabetic Foot—Diabetic Foot Infections." *2011 Diabetes Symposium of Methodist Hospital, Methodist Hospital 4/8/2011.*
147. "MRSA Update." *2011 Diabetes Symposium of Methodist Hospital, Methodist Hospital 4/8/2011*
148. "Case Presentation: Woman with Fever, Cough and Dyspnea – Discussion of Adult Adenovirus Infection." *City Wide Infectious Diseases Conference hosted by Methodist Hospital, 4/7/2011.*
149. "Methicillin-Resistant *Staphylococcus aureus* (MRSA) Infections: Current Concepts of Prevention." *Bariatric Conference of Methodist Hospital, Methodist Hospital 3/15/2011.*
150. "HIV Infection." HIV Lecture for *Course MT412 of the Joint Medical Technology Program of UNMC & Methodist Hospital: Clinical Laboratory Diagnosis & Mgmt.* Michael F. Sorrell Center for Health Science Education, University of Nebraska Medical Center, Omaha, NE 2/15/2011.
151. "Case Presentation Recurrent Illness and Abdominal Wall Erythema in a Neonate (Review and Discussion of Necrotizing Enterocolitis). *City Wide Infectious Diseases Conference hosted by Methodist Hospital, 2/3/2011.*
152. "Food-borne Illness in Pregnancy." *Multi-Disciplinary Conference Methodist Hospital, 1/21/2011.*
153. "Case Presentation: The Painful Red Eye (Review and Discussion of Fungal Keratitis and Corneal Ulcer Caused by *Scedosporium Apiospermum*)." *City Wide Infectious Diseases Conference hosted by Methodist Hospital, 12/2/2010.*
154. "Management of Transfusion Related Sepsis." *Medical Advisory Committee Meeting, American Red Cross, Midwest Region Blood Services, Omaha, NE 11/22/2010.*
155. "Food-borne Illness in Pregnancy." *Nebraska Obstetric and Gynecologic Society Meeting 2010: Issues in Women's Health Across the Decades, Las Vegas, NV, 11/5/2010.*
156. "Bedbugs – the Clinical Situation (Case Presentation, Review and Discussion of Bedbugs.)" Presented with Nicole Paulman, MD, and Terry Micheels, MSN, RN, CIC at the *Critical Care Conference Methodist Hospital, 10/12/2010.*
157. "Case Presentation: Bedbugs – the Clinical Situation." Presented with Nicole Paulman, MD, and Terry Micheels, MSN, RN, CIC at the *City Wide Infectious Diseases Conference hosted by Methodist Hospital, 10/7/2010.*
158. "Case Presentation: The Dreaded "D" Word (Review and Discussion of *Plesiomonas Shigelloides* and Infectious Diarrhea)." *City Wide Infectious Diseases Conference hosted by Methodist Hospital, 8/5/2010.*
159. "Case Presentation: A Patient with Anemia and the Need for a Blood Transfusion (Review and Discussion of Babesiosis and Transfusion Transmitted Infection)." *City Wide Infectious Diseases Conference hosted by Methodist Hospital, 6/3/2010.*
160. "Case Presentation: The Man with Chronic Cough and Chronic Lymphocytic Leukemia." *City Wide Infectious Diseases Conference hosted by Methodist Hospital, 4/1/2010.*
161. "Case Presentation: Man with Fever and a Painful Leg." *City Wide Infectious Disease Conference hosted by Methodist Hospital, 2/4/2010.*

162. "2009 H1N1 Influenza - Update." *Medical Advisory Committee, American Red Cross Midwest Blood Services, Omaha, NE 12-9-2009*
163. "Case Presentation: Left Jaw Numbness – Bisphosphonate-Related Osteonecrosis of the Jaw and Actinomycosis." *City Wide Infectious Disease Conference hosted by Methodist Hospital, 12/3/2009.*
164. "2009 H1N1 Influenza – Antiviral Therapy & Chemoprophylaxis." *Pharmacy & Therapeutics Committee, Board Room, Methodist 11/12/2009*
165. "2009 H1N1 Influenza – Update on Recognition & Management." *Obstetrics & Gynecology Dept Meeting, Nebraska Room, Methodist 11/6/2009*
166. "Case Presentation: A Traveling Febrile Patient." *City Wide Infectious Disease Conference hosted by Methodist Hospital, 11/1/2009.*
167. "2009 H1N1 Influenza Update on Recognition & Management." *Hospitalists' Journal Club, Methodist Estabrook Cancer Center 10/21/2009*
168. "2009 H1N1 Influenza." *Critical Care Conference, Methodist Estabrook Cancer Center Auditorium, Methodist Hospital 10/13/2009*
169. "2009 H1N1 (Swine Flu)." *Infection Prevention and Control Committee, Nebraska Room, Methodist Hospital 9/25/2009*
170. "Case Presentation: Anterior Neck and Tongue Masses - Coccidioidomycosis" *City Wide Infectious Disease Conference hosted by Methodist 6/4/2009.*
171. "HIV Infection." HIV Lecture for Course MT412 of the Joint Medical Technology Program of UNMC & Methodist Hospital: *Clinical Laboratory Diagnosis & Mgmt.* Michael F. Sorrell Center for Health Science Education, University of Nebraska Medical Center, Omaha, NE 2/17/2009
172. "Pertussis: 100 Day Cough." *Critical Care Conference of Methodist Hospital, Methodist Hospital 2/10/2009.*
173. "Healthcare Associated Hepatitis B and C Virus Transmission." *Medical Advisory Committee American Red Cross Midwest Blood Services, Omaha, NE 1/26/2009*
174. "Infections in Diabetic Patients." *2009 Diabetes Symposium of Methodist Hospital, Methodist Estabrook Cancer Center, Methodist 1/16/2009*
175. "Vaccines: Not Just for Kids – A Review of Adult Immunizations." *Clinical Issues in Women's Health: 2008 Meeting of Nebraska OB GYN Society, Las Vegas, NV 11/14/ 2008*
176. "Cryptococcosis." *Citywide Infectious Diseases Conference hosted by Methodist Hospital 8/7/2008*
177. "Case Presentation: The Chronic Cough." *City Wide Infectious Disease Conference hosted by Methodist Hospital 3/6/2008*
178. "HIV Infection." HIV Lecture for Course MT412 of the Joint Medical Technology Program of UNMC & Methodist Hospital: *Clinical Laboratory Diagnosis & Mgmt.* Michael F. Sorrell Center for Health Science Education, University of Nebraska Medical Center, Omaha, NE 2/2008
179. "MRSA: The Superbug, and Pertussis: "100 Day Cough." *Dept of OB GYN, Methodist Hospital, 2/1/2008*
180. "Case Presentation: Fever in a 55 Year Old Accountant / Minister." *City Wide Infectious Disease Conference hosted by Methodist Hospital 12/6/2007*
181. "Clostridium Difficile Associated Disease (CDAD)" *Hospitalist's Journal Club of Methodist Hospital, 10/17/2007.*
182. "Saving the Diabetic Foot: Management of Diabetic Foot Infection." *2007 Annual Diabetes Symposium of Methodist Hospital, 8/3/2007*
183. "Neuroinvasive West Nile Virus Disease in Immunocompromised Hosts." *Methodist Hospital Tumor Conference 7/13/2007*
184. "The Impact of Vaccination on Adult Infectious Diseases." *Omaha Infectious Diseases Symposium, 5/15/2007*
185. "HIV Infection." HIV Lecture for Course MT412 of the Joint Medical Technology Program of UNMC & Methodist Hospital: *Clinical Laboratory Diagnosis & Mgmt.* Michael F. Sorrell Center for Health Science Education, University of Nebraska Medical Center, Omaha, NE 2/2007
186. "Infectious Diseases in Pregnancy." *2006 Fall Update in Obstetrics, a Symposium of Methodist Hospital 10/13/2006*
187. Introductory Remarks & Moderator for *Meeting the Threat of Infectious Disease Due to Nature's Whim, Physician Folly & Terrorist Plot: 2006 Methodist Health System Quality Retreat, Nebraska City, NE 8/26/2006,*
188. "Case Presentation: The Chronic Cavitory Pulmonary Mass." *City Wide Infectious Disease Conference hosted by Methodist Hospital 7/6/2006*
189. "Adult Varicella Virus Infection." *2006 Immunize Nebraska – 2<sup>nd</sup> Annual Immunization Conference, Sponsored by Immunization Task Force of Metro-Omaha & Creighton University School of Medicine 6/9/2006*
190. "Clostridium Difficile Associated Diarrhea (CDAD): Epidemiology, Pathogenesis, & Emergence of New Epidemic Strain." *Critical Care Conference of Methodist Hospital 4/11/2006*
191. "HIV Infection." HIV Lecture for Course MT412 of the Joint Medical Technology Program of UNMC & Methodist Hospital: *Clinical Laboratory Diagnosis & Mgmt.* Michael F. Sorrell Center for Health Science Education, University of Nebraska Medical Center, Omaha, NE February 2006
192. "Case Presentation: Brucellosis Osteoarticular Diseases." *City Wide Infectious Disease Conference hosted by Methodist Hospital 1/5/2006*

## National Conferences Attended - 2006 to date

1. ID Week 2020 and Chasing the Sun (24 hours of COVID-19 around the globe). Annual Meeting of Infectious Disease Society of America, October 21-25, 2020. Presented online in a virtual platform to include infectious disease specialists around the globe.
2. Symposium on Advanced Wound Care & Wound Healing Society (SAWC/WHS) Spring Conference, April 14-17, 2011, Dallas, Texas.
3. 5<sup>th</sup> Decennial International Conference on Healthcare-Associated Infections, March 18-22, 2010, Atlanta, GA
4. 45<sup>th</sup> Annual Meeting of Infectious Disease Society of America, October 4-7, 2007, San Diego, CA.
5. 17<sup>th</sup> Annual Scientific Meeting of the Society for Healthcare Epidemiology of America, April 14-17, 2007, Baltimore, MD.
6. 16<sup>th</sup> Annual Scientific Meeting of the Society for Healthcare Epidemiology of America, March 18-21, 2006, Baltimore, MD.

## Teaching Awards

1. Nominated for Outstanding Teaching Award given by the Pediatric and Medicine-Pediatric House Officers of the Creighton-Nebraska Pediatric Residency Program and the Combined Medicine-Pediatric Residency Program of Creighton University and University of Nebraska Medical Center, May 1999.
2. Teaching Certificate, American Academy of Family Practice, 1988.
3. Outstanding Pediatric Volunteer Faculty, Pediatric House Staff, University of Nebraska Medical Center, 1984.
4. Strategic Air Command Award for Distinguished Service in Teaching Ambulatory Medical Care, 1983.

## Abstracts/Poster Presentations

1. Bautista B, Neff W, Danekas P, Ehlers R, Penn R. Experience Using Commercially Available Fecal Microbiota Transplantation for Patients with Refractory Clostridium Difficile Infection. American Society of Health System Pharmacy, Midyear Clinical Meeting. Presented in Orlando, FL, December 2017.
2. White RJ, Penn RG, Miller S, Vyhldal S. Surgeon Peer Review: An Initiative to Improve Communication and Provide Feedback on Potentially Preventable Surgical Site Infection Risk Factors. The Association for Professionals in Infection Control and Epidemiology, Inc., 35<sup>th</sup> Annual Educational Conference and International Meeting, 2008. Presented in Denver, June 15 -19, 2008, Publication Number: 13-124.
3. Penn RG, Vyhldal SK, O'Keefe A, Friend P, Kirby M, Micheels T, Miller S, Riessen L, Roberts S, White R. A Hospital Outbreak of Norovirus and Development of "Upset Stomach Etiquette" ("USE"). The Society for Healthcare Epidemiology of America. The 17<sup>th</sup> Annual Scientific Meeting of SHEA, 2007. Presented in Baltimore, April 16, 2007.
4. Penn RG, Vyhldal SK, Roberts S, Miller S. The Reduction of Vascular Surgical Site Infections with the Use of Antimicrobial Gauze Dressing. The Society for Healthcare Epidemiology of America. The 16<sup>th</sup> Annual Scientific Meeting of SHEA, 2006. Presented in Chicago, March 20, 2006.
5. Chartrand SA, Andrews DM, Penn RG, Itkin DJ: New Varicella Vaccine (VVAC) Production Lots in Healthy Children and Adolescents. Program and Abstracts 28<sup>th</sup> Interscience Conference on Antimicrobial Agents and Chemotherapy, 1988. Presented in Los Angeles, October 1988.
6. Penn, RG, Itkin DJ, Rose SG, Fagan N, Yarges D, Everitt B: Home IV Antibiotics. Omaha Mid-West Clinical Society. 54<sup>th</sup> Annual Postgraduate Assembly, 25, 1986. Presented in Omaha, October 27, 1986.
7. Kruger RL, Penn RG, McMillan J: Penicillin Resistance in Pneumococcus. Omaha Mid-West Clinical Society. 53<sup>rd</sup> Annual Postgraduate Assembly, 1985. Presented in Omaha, October 28, 1985.
8. Penn RG, Sanders CC, Sanders WE Jr: Dynamics of Bacterial Interference: Elimination of Inhibitory Throat Flora (ITF) Reservoirs. Program and Abstracts 21<sup>st</sup> Interscience Conference on Antimicrobial Agents and Chemotherapy 110, 1981. Presented in Chicago, November 4, 1981.
9. Preheim LC, Penn RG, Sanders CC, Goering RV: Emergence of Resistance to Moxalactam and Aminoglycosides with Moxalactam Therapy of *Pseudomonas* Infections. Program and Abstract 21<sup>st</sup> Interscience Conference on Antimicrobial Agents and Chemotherapy 729, 1981. Presented in Chicago, November 6, 1981.
10. Penn RG, Sanders CC, Sanders WE Jr: The Influence of Group A Streptococcal Infection, Antibiotics and Family Contacts on the Inhibitory Throat Flora. Clin Res. 28:831A, 1980.
11. Penn, RG, Preheim LC, Sanders CC, Sanders WE Jr: Comparison of Moxalactam and Gentamicin in the Treatment of Hospitalized Patients with Acute Urinary Tract Infections. Program and Abstract 20<sup>th</sup> Interscience Conference on Antimicrobial Agents and Chemotherapy 375, 1980. Presented in New Orleans, September 23, 1980.

## Research and Study Group Participation

1. Dynamics of Bacterial Interference: Epidemiology of the Inhibitory Throat Flora in Families (Collaborators: Sanders CC, Sanders WE, Jr, 1979 - 1981).

2. Comparison of LY127935 and Gentamicin in the Treatment of Hospitalized Patients with Urinary Tract Infections (Collaborators: Preheim LC, Sanders CC, Sanders WE Jr, Giger DK, 1979-1983).
3. Treatment of Severe Cytomegalovirus Infection in Immunocompromised Patients with 9-[2-Hydroxy-1-(Hydroxymethyl) Ethoxymethyl] Guanine (BWB 759U) (Collaborators: Wood RP, Byers BW, Itkin DJ, Shaefer M, Armitage J, Vaughn W, 1980s).
4. Safety, Tolerability and Immunogenicity of Oka/Merck Varicella Vaccine in Healthy Children and Adolescents (Collaborators: Chartrand S, Itkin DJ, Andrews D, 1980s).
5. Principal Investigator: Study of Cefpodoxime Proxetil versus Penicillin V in the Treatment of Group A Streptococcus Pharyngitis in Children, M/1140/0027, conducted by The Upjohn Company (1989-1990).
6. Principal Investigator: Treatment of Septic Shock with Human Monoclonal Antibody HA-1A.
7. Principal Investigator: JRV-398 Open Study of Synercid (Quinupristin/Dalfopristin, RP 59500) for Emergency Use (Infections due to Resistant Bacteria, Treatment Failure, or Treatment-Intolerant Patients) Study in the US conducted by Rhone-Poulenc Rorer, 1996 – 1998.
8. Principal Investigator: Study of MAK 195F 009B, conducted by Knoll Pharmaceutical, -2000.
9. Principal Investigator: A Double-Blind, Randomized, Controlled Trial of Rifaximin Compared to Vancomycin for the Treatment of Clostridium difficile-Associated Diarrhea (CDAD), conducted by Salix Pharmaceuticals, Inc. (2007 – 2009).
10. Principal Investigator: Prospective Evaluation of 2% Chlorhexidine Gluconate Cloths to Reduce Surgical Site Infections in Orthopedic Surgical Patients (2007 – 2008).
